Hello everyone! Please see the attached e-mail from Al, as well as the attachments. I agree with Al, that given the season, we have an electronic vote. Please review the following attachments. I would like you to vote on whether we keep the existing insurance **without** the Board insurance, or go with American Family Insurance that includes the Board Insurance. We need your reply ASAP. Please reply to all with your vote by Friday November 25th.

Hello everyone, I am sending out this e-mail to notify you all of the results to our vote on whether to keep State Farm or move to American Family Insurance.

American Family Insurance - 6

State Farm - 2

The Board has voted 6 yes and 2 no to Move to American Family Insurance. We will move our Insurance coverage to American Family Insurance. Thank you for your comments. I would like all of you to bring any concerns, suggestions to our February 2012 meeting. I will be sending another e-mail out the first of January asking for a date in February that will work for all of you, as well as Agenda items for discussions. This meeting in February will be the time to address them.

Thank you! Motion passed. Meeting adjourned.
